Computer Software's and Cyber Security

Date: 23 /9/2021 to 25 /9/2021

Venue: online

Resource person: Ms. Tanvi Kamalkar

Co-ordinator: Ms. Reddy K.V

Program Outcome: The seminar provided attendees with valuable insights into leveraging software solutions to mitigate cyber threats effectively. Participants gained a deeper understanding of the diverse array of tools available to bolster cyber defenses.

Description of the program The three-day seminar conducted at SBSPM's B. Pharmacy College focused on computer software and cyber security, addressing the growing need for individuals with expertise in these areas. Ms. Tanvi Kamalkar, led the seminar, delivering informative sessions. The program commenced on 25/9/2021, with an introduction by Ms. Reddy K.V., the coordinator of the seminar. Ms. Tanvi Kamalkar then embarked on a comprehensive exploration of computer software systems, elucidating concepts such as operating systems, application software, and programming languages. On the second day, the focus shifted towards cyber security, with Ms. Tanvi Kamalkar discussing the threats and vulnerabilities associated with digital technologies. The final day of the seminar saw Ms. Tanvi Kamalkar guide students through practical exercises and simulations to demonstrate cybersecurity best practices. After the conclusion of the session, Ms. Chavan G.C delivered the vote of thanks and declared the program is over.
