Respected sir,

With reference to above cited subject we, SBPM's B. Pharmacy college, Ambajogai are interested to visit your industry in last week of February 2019 with 30-35 students and staff members for guiding and educating our students about various departments of pharma industry with their smooth working.

We are the reputed college in Dr. BAMU University Aurangabad. If you grant us permission for the same, will be helpful to nourish a good relation between us and to students for understanding the scope after the pharmacy.

Thanking you

With warm Regards

Report On Pharmaceutical Industrial Visit

Topic : Pharmaceutical Industrial Visit

Faculty Co-ordinator: Mr. Avinash B Thalkari, Mr. Syed Imran and Miss. Munde J A

Date & Time: 27.03.2019 at 11.00 AM to 02 PM

Venue : Adhora Pharmaceutical LTD Aurangabad

Participants: Third year (17)

Final year (25)

Shri Balaji Prasarak Mandal B Pharmacy College, Ambajogai organised 1 day Industrial visit to Adhora Pharmaceutical Pvt. Aurangabad for Third & Final year B Pharmacy Students. The visit was organized with the prior permission and guidance of Hon. Principal Dr. Tour N S.

Asst. Prof. A. B Thalkari, Asst.Prof. Syed Imran, & Asst. Prof. Miss. Munde J A accompanied with this industrial visit.

Total 42 students of B.Pharmacy along with 3 faculty members & 1 peon have joined this industrial visit.

The detail of journey is as follows:-

1. We started travelling from college towards Aurangabad at 05.00 am on 27 February 2019.

2. We reached to Aurangabad at morning 11.45 am.
3. After getting fresh, we had taken breakfast & started travelling towards Adhora Pharmaceutical Pvt. Aurangabad.
4. At 1.00 pm we had a lunch.

5. At 02.00 pm, we reached at Adhora Pharmaceutical Pvt. Aurangabad.

6. Inspection of Various Departments of company.

Visiting Areas of company

- 1. Warehouse:-** A warehouse is a place where the raw material is stored. The height of this warehouse is approx. 50 feet. Fifteen pulleys are placed in the warehouse whose functions are to transfer the raw material from one place to another. It is important because the drug is in large quantity and it is very important to store such a large quantity of drug in a big room.
- 2. QC Department:-** The QC Department tests raw materials before they are used as well as in-process materials at key points in the production process. The finished product is tested to determine whether it was made according to the needs of GMP and meets all of its specifications. They also monitor the stability of product, making sure that it meets all specifications during shelf-life.
- 3. Tablet punching machine:-** Tablets are made by compressing a formulation containing a drug or drugs with excipients on stamping machines called Punching Machines having punches as the basic component which are used for compressing the granulation within the dies. These punches control the process of filling, compression and ejection.
- 4. Tablet granulation machine:** Pharmaceutical granulators are used for producing uniform dense granules. They are universally accepted within the pharmaceutical industry for wet granulation and dry mixing of particles/ ingredients. Granulators ensure fast, efficient and uniform mixing or granulation of raw material/particles. Over sized granules are broken down into a uniform size to ensure better blending.
- 5. Strip packaging machine:-** The product is fed through hopper and feeding device flows to the heat sealing roller cavities, the desired laminated foil from the two rollers is drawn on the sealing rollers which packs and seals the products continuously. The sealed strip passes through the vertical and horizontal cutters to get desired strip sizes. This machine is extensively used to pack tablets, capsules, caplets, coated tablets, soft gelatine capsules.
- 6. Blister packaging machine** It is a form of tamper resistant packaging that provides excellent environmental protection and the product has more aesthetic value.

7. After completion of visit at 4.30 pm we started our journey towards Badhramaruti, Ghrashneshwar temple.
8. At 9.30 to 10.15 pm Dinner was completed.
9. We arrived at 5.30 am at college campus.

The 1 day visit was organized with prior permission of Adhora Pharmaceutical Pvt. Aurangabad.
