Justification:

1. The NSS camp was arranged during particular academic year and the local media reports are attached above during particular year.
2. Due to covid – 19 in 2020-21 and 2021-22 collage has performed different activities followed by govt. Guidelines. That's why we didn't provide the media reports of academic year 2020-21 and 2021-22 but institute has tried to organize different events during the worst scenario of covid-19 by students at their local levels.
3. Some extension and outreach activities conducted by institute through NSS with the involvement of community were not added at the time of SSR due to some technical issues, now we are submitting remaining extension outreach activities please consider and do needful.
