Reformation of personality development

Date: 17/9/2022

Venue: Seminar hall of SBSPM's B. Pharmacy College.

Resource person: Mr. Sachin Jagtap, senior business executive , mankind pharma

Co-ordinator: Ms. Manjusha Kareppa

Program Outcome:

The Students learned about various components such as communication skills, leadership development, emotional intelligence, self-awareness, and problem-solving abilities. Participants were provided with theoretical knowledge as well as practical exercises to apply these skills in real-life situations.

Description of the program:

SBSPM's B. Pharmacy College organizes a personality development program. Under this program, Mr. Sachin Jagtap conducted the guest lecture. Dr. Mrunal Shirsat welcomed Mr. Sachin Jagtap and requested that he start the session. He discussed personality development and its crucial aspect in one's personal and professional life. And to provide valuable guidance to enhance individuals' personalities and improve their overall development, a program was initiated that focused on the reformation of personality development. The program aimed to equip participants with essential skills and qualities necessary for personal growth and success, professional awareness, and the current scenario of employment. Prof. R.R. Pathan expressed gratitude for providing this valuable information to the students.

SU-JOK therapy

Date: 2/11/2020

Venue: Online

Resource person: Dr. Yugandhar Narkar (MD. Accupuncture)

Co-ordinator: Ms. Gholkar Ashwini

Program Outcome: Participants gained a deeper understanding of the principles and techniques of SU-JOK Therapy, enabling them to appreciate its effectiveness in promoting health and well-being.

Description of program: SBSPM's B. Pharmacy College will organize a session on SU-JOK Therapy. Under this program Dr. Yugandhar Narkar conducted the guest lecture. The honorable principal, welcomed Dr. Yugandhar Narkar and requested that he start the session. Participants were given an overview of the principles and philosophy behind SU-JOK Therapy, including its roots in traditional Chinese medicine and the concept of correspondences between the body and the hands and feet. Dr. Narkar demonstrated various SU-JOK techniques such as seed therapy, finger pressure, and stimulation of acupressure points on the hands and feet. A question and answer session provided participants with the opportunity to clarify doubts and delve deeper into the theory and practice of SU-JOK Therapy. After the end of the session, the vote of thanks was given by Mr. Sakhare Vishal, and he expressed his gratitude for providing this valuable information to the students and declared the session over.

Date: 26 October 2018

Venue: SBSPM's B. Pharmacy College, Ambajogai.

Resource Person: Dr. Yugandhar Narkar

Co-ordinator: Ms. Manjusha S. Kareppa

Program Outcome: The seminar creates awareness about health. The Art of Living teams have encountered and addressed innumerable challenges. We have learned that teaching our students is perhaps the easiest process in the entire cycle. Changed the mindset of the surrounding community and helped them to see the value of education, however, poses significant challenges, and this has been the unique value that the Art of Living has brought into the space of value-based education.

Description: Firstly principal of the college welcomed Dr. Yugandhar Narkar with a bunch of flowers and anchor introduced the Dr. Yugandhar Narkar as a Yoga teacher, and motivator. Dr. Yugandhar Narkar has shared his knowledge with students and teachers. He described He explored the information about yoga, good mental and spiritual health, and the importance of good health in life. He answered many queries from students and discussed the importance of health and life. He has also discussed the need for healthy life and its importance.

Computer Software's and Cyber Security

Date: 22 Agust-24 Agust 2019

Venue: Seminar hall of S.B.S.P.M's Pharmacy college, Ambajogai

Resource person: Ms. Borade S. S.

Co-ordinator: Ms. Reddy K.V.

Program Outcome: The seminar on "Computer Software's and Cyber Security" provided attendees with valuable insights into leveraging software solutions to mitigate cyber threats effectively. Participants gained a deeper understanding of the diverse array of tools available to bolster cyber defenses.

Description of the program The three-day seminar conducted at SBSPM's B. Pharmacy College focused on computer software and cyber security, addressing the growing need for individuals with expertise in these areas. Ms. Borade S. S., led the seminar, delivering informative sessions. The program commenced on August 25, 2022, with an introduction by Ms. Reddy K.V., the coordinator of the seminar. Ms. Borade S. S. then embarked on a comprehensive exploration of computer software systems, elucidating concepts such as operating systems, application software, and programming languages. On the second day, the focus shifted towards cyber security, with Ms. Borade S. S. discussing the threats and vulnerabilities associated with digital technologies. The final day of the seminar saw Ms. Borade S. S. guide students through practical exercises and simulations to demonstrate cybersecurity best practices. After the conclusion of the session, Ms. Kareppa Manjusha delivered the vote of thanks, expressing gratitude to Ms. Borade S. S. for her insightful presentations and invaluable guidance throughout the seminar.

Report On Pharmaceutical Industrial Visit

Topic : Pharmaceutical Industrial Visit

Faculty Co-ordinator: Mr. Avinash B Thalkari, Mr. Syed Imran and Miss. Munde J A

Date & Time: 27.03.2019 at 11.00 AM to 02 PM

Venue : Adhora Pharmaceutical LTD Aurangabad

Participants: Third year (17)

Final year (25)

Shri Balaji Prasarak Mandal B Pharmacy College, Ambajogai organised 1 day Industrial visit to Adhora Pharmaceutical Pvt. Aurangabad for Third & Final year B Pharmacy Students. The visit was organized with the prior permission and guidance of Hon. Principal Dr. Tour N S.

Asst. Prof. A. B Thalkari, Asst.Prof. Syed Imran, & Asst. Prof. Miss. Munde J A accompanied with this industrial visit.

Total 42 students of B.Pharmacy along with 3 faculty members & 1 peon have joined this industrial visit.

The detail of journey is as follows:-

1. We started travelling from college towards Aurangabad at 05.00 am on 27 February 2019.

2. We reached to Aurangabad at morning 11.45 am.
3. After getting fresh, we had taken breakfast & started travelling towards Adhora Pharmaceutical Pvt. Aurangabad.
4. At 1.00 pm we had a lunch.

5. At 02.00 pm, we reached at Adhora Pharmaceutical Pvt. Aurangabad.

6. Inspection of Various Departments of company.

Visiting Areas of company

- 1. Warehouse:-** A warehouse is a place where the raw material is stored. The height of this warehouse is approx. 50 feet. Fifteen pulleys are placed in the warehouse whose functions are to transfer the raw material from one place to another. It is important because the drug is in large quantity and it is very important to store such a large quantity of drug in a big room.
- 2. QC Department:-** The QC Department tests raw materials before they are used as well as in-process materials at key points in the production process. The finished product is tested to determine whether it was made according to the needs of GMP and meets all of its specifications. They also monitor the stability of product, making sure that it meets all specifications during shelf-life.
- 3. Tablet punching machine:-** Tablets are made by compressing a formulation containing a drug or drugs with excipients on stamping machines called Punching Machines having punches as the basic component which are used for compressing the granulation within the dies. These punches control the process of filling, compression and ejection.
- 4. Tablet granulation machine:** Pharmaceutical granulators are used for producing uniform dense granules. They are universally accepted within the pharmaceutical industry for wet granulation and dry mixing of particles/ ingredients. Granulators ensure fast, efficient and uniform mixing or granulation of raw material/particles. Over sized granules are broken down into a uniform size to ensure better blending.
- 5. Strip packaging machine:-** The product is fed through hopper and feeding device flows to the heat sealing roller cavities, the desired laminated foil from the two rollers is drawn on the sealing rollers which packs and seals the products continuously. The sealed strip passes through the vertical and horizontal cutters to get desired strip sizes. This machine is extensively used to pack tablets, capsules, caplets, coated tablets, soft gelatine capsules.
- 6. Blister packaging machine** It is a form of tamper resistant packaging that provides excellent environmental protection and the product has more aesthetic value.

7. After completion of visit at 4.30 pm we started our journey towards Badhramaruti, Ghrashneshwar temple.
8. At 9.30 to 10.15 pm Dinner was completed.
9. We arrived at 5.30 am at college campus.

The 1 day visit was organized with prior permission of Adhora Pharmaceutical Pvt. Aurangabad.
